Tarena International, Inc. Signs Strategic Partnership Agreement With Aliyun

BEIJING, Jan. 12, 2016 /PRNewswire/ -- Tarena International, Inc. (NASDAQ: TEDU) ("Tarena" or the "Company"), a leading provider of professional education services in China, today announced that it has signed a strategic partnership agreement with Alibaba Cloud Computing Co., Ltd. ("Aliyun"), a global leader in big data and cloud computing technology, and Tarena is now an authorized partner to provide Aliyun's training and certification services to individuals and universities.

Pursuant to the partnership agreement, Tarena and Aliyun will jointly cultivate talents in cloud computing and big data processing by working together to develop the Aliyun learning module, which will be embedded into Tarena's current curriculum, including Java, PHP, Android, iOS, Big data, Web front, C++, Linux, etc. Aliyun will provide two opportunities to take the ACF(Ali Cloud Foundation) certification exams to each Tarena student, as well as supports in areas of financing, incubator and cloud services to Tarena students in their future entrepreneurship efforts.

"Aliyun is a global leader in cloud technology and certification. Currently more than 200,000 Chinese companies use its cloud solution," said Mr. Shaoyun Han, Founder, CEO and Chairman of Tarena. "Through our strategic partnership with Aliyun, we will continue to promote and upgrade our IT courses by providing elite students with the high quality big data training and certification validation from global leaders to help them achieve better employment prospects and career advancement."

"Aliyun is confident in this close official cooperation with Tarena, who has continued introducing best-in-class education and certification programs from worldwide first-tier technology companies such as Oracle, Adobe and RedHat," said Song Liu, General Manager of Aliyun. "I hope that Aliyun can help Tarena further promote a *technology and certification integrated* lifelong professional education system and benefit more individuals and companies in China."
