Tarena International, Inc. Signs Strategic Partnership Agreement with Microsoft

BEIJING, April 20, 2017 /PRNewswire/ -- Tarena International, Inc. (NASDAQ: TEDU) ("Tarena" or the "Company"), a leading provider of professional education services in China, today announced that it has signed a multi-project cooperation agreement with Microsoft Corp. ("Microsoft") and will become Microsoft's strategic partner to provide a wide range of education and certification services to universities, adult students and kid students in China.

Pursuant to the partnership agreement, Tarena and Microsoft will work together to provide .Net and H5 technical skills training and certification services to college students, graduates and other individuals. By combining with Microsoft's latest technology and original learning materials, Tarena will further upgrade .Net and Web front end development course to suit different needs of students at all levels. Moreover, the strategic alliance with Microsoft enables Tarena to design and develop the major in data science and artificial intelligence as joint major programs with hundreds of universities and colleges in China. In addition, Tarena invited Microsoft, who is the key founder and donor of a global educational campaign "Hour of Code", to jointly launch and operate "Discovery Cup" National Young People Coding Competition in China. Winners or the graduates who finish Tarena's kid programming course and pass relevant examinations can be awarded the official MTA certificates from Microsoft.

"Microsoft is the world's authority in software, services, devices and solutions," said Shaoyun Han, Founder, CEO and Chairman of Tarena. "Tarena is proud to partner with organizations such as Microsoft, in bringing international tutorial resources and best-in-class IT solutions to universities, driving the university-enterprise cooperation and introducing job skills and opportunities to students. We believe this outstanding cooperation will greatly enhance global competitiveness of Chinese IT professionals and create better career path for youth."

"At Microsoft, we're committed to transforming IT skills required to support social and economic opportunity around the world. We are pleased to work closely with Tarena, who are a leader in the delivery of IT training in China," said Kyle Uphoff, Senior Director, Worldwide Customer & Partner Sales, Microsoft Learning & Readiness. "We are confident that the partnership will support universities in their development of computer science skills for youth in China."
