Tarena Announces Receipt of Nasdaq Notification Regarding Minimum Bid Price and Expects to Regain Compliance after the ADS Ratio Change

BEIJING, December 14, 2021 /PRNewswire/ -- Tarena International, Inc. (NASDAQ: TEDU) ("Tarena" or the "Company"), a leading provider of adult professional education and childhood & adolescent quality education services in China, today announced that it received a written notification from the Staff of the Listing Qualifications Department of the Nasdaq Stock Market LLC ("Nasdaq") dated December 10, 2021, indicating that because the closing bid price of the Company's American Depositary Shares ("ADSs") for the last 30 consecutive business days was below US\$1.00 per share, the Company no longer meets the minimum bid price requirement for the Nasdaq Global Select Market, set forth in Nasdaq Listing Rule 5450(a)(1). Pursuant to the Nasdaq Listing Rules, the applicable grace period to regain compliance is 180 calendar days, or until June 8, 2022. The Company can cure this deficiency if the closing bid price of its ADS is \$1.00 per share or higher for at least ten consecutive business days during the grace period.

As previously announced on December 1, 2021, the Company is in the process of changing the ratio of its ADSs to its Class A ordinary shares (the "ADS Ratio") from the current ADS Ratio of one (1) ADS to one (1) Class A ordinary share to a new ADS Ratio of one (1) ADS to five (5) Class A ordinary shares, which is expected to become effective on or about December 23, 2021, subject to the SEC having declared the post-effective amendment to the ADS Registration Statement on Form F-6 to be effective. As a result of the change in the ADS Ratio, the ADS trading price is expected to increase proportionally. The Company believes that the change in the ADS ratio will help the Company to regain compliance with the minimum bid price requirement. However, the Company can give no assurance that this goal will be achieved.
