Tarena Announces Changes to Board Composition

BEIJING , Nov. 29, 2022 /PRNewswire/ -- Tarena International, Inc. (NASDAQ: TEDU) ("Tarena" or the "Company"), a leading provider of IT professional education and IT-focused supplementary STEAM education services in China, today announced that Ms. Mingjie Sun has been appointed as an independent director of the board of directors of the Company (the "Board") and Dr. Binshen Meng has been appointed as a director of the Board. Ms. Sun has also been appointed as the chairman of the compensation committee of the Board, as well as a member of the audit committee and the nominating and corporate governance committee of the Board. Mr. Hon Sang Lee will no longer serve as a director after the current term expires, which did not result from any disagreement with the Company. These changes will be effective on December 1, 2022.

Ms. Sun served as one of the six members in the Executive Management Team of AsiaInfo Technologies (China) Inc. (01675.HK). Ms. Sun joined AsiaInfo Technologies (China) Inc. in 1996, and served as its vice president and senior vice president from January 2014 to April 2022. With over two decades of operational and leadership experience in the IT and telecommunication industry, Ms. Sun was awarded *Forbes China 50 Top Women in Tech* in 2020. Ms. Sun received her bachelor degree in automatic control engineering from Harbin Engineering University and master degree in automatic control engineering from Harbin Institute of Technology.

Dr. Binshen Meng currently serves as a board director of TCE (Shenzhen) Technology Limited ("TCE Limited"). Dr. Meng is a seasoned technology entrepreneur with extensive experience in the TMT industry. Dr. Meng served senior technology and management roles in multiple world-renowned technology companies in Silicon Valley, such as HP, Lucent, Altera and Nvidia. Dr. Meng founded TCE Limited in 2013, in which he has served as the Chairman of the board, CEO and/or CTO. Dr. Meng has nearly 30 years of R&D and leadership experience in network and telecommunications, consumer electronics, artificial intelligence, big data, Internet of Things and green energy technologies. Dr. Meng received both a bachelor degree and a master degree in electronics technology from Peking University and served as a professor teaching physics in Tsinghua University. Dr. Meng received his master degree and PhD in computer and electrical engineering from University of Wisconsin-Madison.
