About Tarena International, Inc.

Tarena is a leading provider of IT professional education and IT-focused supplementary STEAM education services in China. Through its innovative education platform combining live distance instruction, classroom-based tutoring and online learning modules, Tarena offers professional education courses in IT and non-IT subjects. Its professional education courses provide students with practical skills to prepare them for jobs in industries with significant growth potential and strong hiring demand. Tarena also offers IT-focused supplementary STEAM education programs, including computer coding and robotics programming courses, etc., targeting students aged between three and eighteen. Aiming to encourage "code to learn," Tarena embraces the latest trends in quality education and technology to develop children's logical thinking and learning abilities while allowing them to discover their interests and potential.
